

Mission Statement

All praise is due to Allaah (Subhanahu Wa Ta'Ala), we praise Him, and we seek His Aid and His Forgiveness. We seek refuge in Allaah from the evils of our own souls and the evils of our actions. Whomsoever Allaah guides, there is none to misguide him, and whomsoever Allaah misguides there is none to guide. We bear witness that there is none worthy of worship except Allaah, alone, without any partners and we bear witness that Muhammad (Sal-Allaahu Alayhi Wa Sallam) is His Slave and Messenger.

O you who believe! Fear Allaah as He should be feared, and die not except in a state of Islaam with complete submission to Allaah. (Soorah Al-Imraan 3:102)

O mankind! Be dutiful to your Lord, Who created you from a single person, and from him He created his wife, and from both He created many men and women. And fear Allaah through Whom you demand your mutual (rights), and (do not cut the relationship of) the wombs (kinship). Surely, Allaah is Ever an All-Watcher over you. (Soorah An-Nisaa 4:1)

O you who believe! Keep your duty to Allaah and fear Him, and speak the truth. He will direct you to do righteous good deeds and will forgive you your sins. And whosoever obeys Allah and His Messenger has indeed attained a great achievement. (Soorah Al-Ahzaab 33:70-71)

Verily, the most truthful of speech is the Book of Allaah and the best guidance is the Guidance of Muhammad (Sal-Allaahu Alayhi Wa Sallam). And the worst of all matters are the things newly introduced into the religion, and every such new thing is an innovation (bid'ah), and every innovation is misguidance and verily, every misguidance is in the Hellfire.

Dear brothers and sisters, the condition of the Muslim Ummah at present is dire indeed. We are a nation of more than a billion people which is one out of every five people on earth and yet as a nation we are weak and powerless. This is a condition that has clearly been predicted by the Prophet (salallahu alaihi wa sallam) when he said that the nation will be great in number but they will be weak like the foam of the seas. Our love for this dunya and our attraction towards fulfilling our sinful desires have removed us far from the Love, Mercy and Protection of Allaah and while we can continue to point our fingers at outside influences and causes for our condition, we would not be able to do anything about it until we come to the truthful realization that the cause of our demise is our own neglect of our deen and when we do follow the deen we follow a path not treaded by the Prophet (salallahu alaihi wa sallam) and his followers.

Bengal and Bangladesh specifically has a very rich history where Islam is concerned. Everyone from invading conquerors, our great scholars, trading merchants to travelling Sufis, has made some contribution to the formation of Islaam in our nation. But while it makes for very colorful history, closer examination of the way we practice Islaam today reveals that a lot of what we know and practice or even consider holy are in many instances completely unknown to the practice and teachings of the Prophet Muhammad (Sallallahu alaihi wa sallam), or even contradicting much of what he taught. The primary cause of this difference is a lack of knowledge about even the most basic of Islamic fundamentals. Also, it is because of this lack of knowledge that certain elements in society are able to manipulate the people by using the name of Islaam to further their own agendas, whether political, social or financial. After all it is easy to lead a cow to slaughter if the cow doesn't know he is going to the slaughterhouse. This is why we have created this site. So that average Bangalis can find good and authentic information on Islaam in an easy to learn form. The purpose of this website is twofold. One is to illuminate the true path i.e. to show the actual teachings of the Qur'aan and Sunnah as known and understood by the Prophet (salallahu alaihi wa sallam), the Sahabah and their true followers. This knowledge will also help fulfill our second purpose, which is to highlight the aspects of our beliefs and practices that have no ground in Islaam at all. Our promise to you is that we shall always try our best to provide you with the most authentic knowledge of Islaam available and introduce you to the proper understanding of the deen as explained by the greatest scholars of the deen as understood by the Prophet and his Sahabah.

This site was made in Bangla, for Bangalis and by Bangalis, living both abroad in the West and at home. Our only motivation is our love for our fellow Muslims and countrymen and our desire to please Allaah. We have no political agenda, nor are we motivated by financial gain or social standing. May Allaah establish us upon the True Guidance and make us strong upon that and work for it; and May He also help us to recognize the "baatil" (falsehood) and the "bid'ah" (innovation) in order that we may keep away from it and fight against it. Indeed all good is from Allaah and any errors or sins are from our own selves and Shaytaan, and May Allaah protect us from them both. Ameen.
